ARMY EMERGENCY RELIEF

The 2006 Army Emergency Relief campaign kicked off March 24, and I hope all of you will contribute what you can to this worthy cause.

Statistics show that in 2005 a U.S. Army Soldier obtained AER assistance every 12 minutes for essentials such as food, private vehicle repairs or emergency travel.

Last year members of the Wiesbaden/Dexheim communities donated more than \$60,270 to the campaign and accepted more than \$124,000 in relief. For 65 years Army Emergency Relief has provided financial assistance to Soldiers and their families experiencing unforeseen emergencies. Donate to the AER campaign until April 30 through your unit representative.

Also, AER supports the Spouse Education Assistance Program. Financial assistance is provided as a grant, awarded based on financial need as evidenced by income, assets, family size, special financial obligations and circumstances. Applications are available for downloading on AER's Web Site, www.aerhq.org.

I encourage you to contact Winkie Hayes at mil 335-5234 or civ (0611) 408-0234 or your unit representative to find out

BLOCK LEAVE, ACCELERATED COMPLETION AND EARLY WITHDRAWAL

DoDDS offers programs for families facing reintegration block leave or PCS orders toward the end of the school year.

The reintegration block leave program supports extended family leave periods following a deployment. This program allows students to receive assignments in advance of leave and allows up to two weeks to complete.

The accelerate completion program lets students receive and complete assignments prior to the end of the school year if block leave falls during the final weeks of school. Students using this program are planning to return to DoDDS-E next school year. Students must be in school all day on the day prior to the early withdrawal date, May 18 for most DoDDS-E schools. All assignments must be completed in order for the student to receive a final grade.

The early withdrawal program is similar to the accelerated completion program, but is for students withdrawing from DoDDS-E due to PCS orders and will not be returning. The same conditions apply.
